Principal's Welcome

Welcome to the 2018-2019 school year! My name is Chris Dowler. In addition to my role as PBHS Principal, I am also the Deputy Director of Student Support Services for San Luis Coastal School District. I enjoy working with students and am genuinely thrilled to be working directly with students at Pacific Beach.

This year we welcome a new science teacher, Mr. Dela Cruz. We also have on campus Christina Azrael, M.S., AMFT, as our county Student Support Counselor. She will be here two days a week: Tues/Wed.

Counseling support on campus is voluntary and free to any student. If you feel that you can benefit from additional support while at school, please talk with me or your teachers about how to sign up.

This fall we are also teaching a career planning and life skills class in conjunction with Cuesta College. This is a dual-enrollment course where the students earn high school and college credit. We will also be encouraging students to participate in another dual-enrollment, online preparedness class to be held during 3rd quarter.

Please feel free to contact me with any questions or concerns that you have and know that I consider our partnership essential to the success of your student.
